Customers should ensure that children are suitably supervised to avoid products being chosen which would pose a choking risk and safety around large glass jars. This is even more important for children aged under 5yrs. Please ensure children are suitably supervised to ensure fingers don't get caught in the Ferris Wheel. C'est La Vie Catering can NOT be held responsible for safety issues which occur from the use of equipment, consumables or the consumption of confectionery left at the celebration location.

It is the customer's responsibility to ensure that, under no circumstances, is the cart to be moved during the celebration by anybody other than C'est La Vie Catering staff. This has resulted in the past with broken glassware and damage to the cart.
